

READ ME

This capstone project contains the parkinsons.csv data set, the analysis of the data as a PDF and the model in a jupyter notebook, as well as the images generated by the notebook.

See “report / Parkinson’s Initial Data and Model Analysis - Eric Riutort.pdf” for the report.

See “data / parkinsons.csv” for the data

See “images / *.*” for the images

See “Parkinsons_eric_initial.ipynb” for the notebook

Thank You

Eric Riutort
