

READ ME

This capstone project contains the parkinsons.csv data set, the analysis of the data as a PDF and the model in a jupyter notebook, as well as the images generated by the notebook.

WARNING - The CAPSTONE final report IS NOT IN THE FINAL REPORT FOLDER - The is the report titled "Analysis of the Changing Nature of Data Science in the Time of Generative AI through examination of of the Parkinson's Study of Disease Data versus Voice Data.pdf" under the main directory.

See "Analysis of the Changing Nature of Data Science in the Time of Generative AI through examination of of the Parkinson's Study of Disease Data versus Voice Data.pdf" for the CAPSTONE report

See "initial_report / Parkinson's Initial Data and Model Analysis - Eric Riutort.pdf" for the report.

See "final_report / Results of Parkinson Disease Data set Analysis.pdf" for a report generated by the "Parkinsons_Disease_Data_Analysis_EricRiutort.ipynb"

See "data / parkinsons_disease_data.csv" for the data

See "Parkinsons_Disease_Data_Analysis_EricRiutort.ipynb for the notebook

Thank You

Eric Riutort
